

Sixth Class Booklist – Teacher: Ms McDermott
September 2019 - Gorey Central School

1. Art, photocopying. and 24 hour pupil insurance: **€45**
(Please bring this amount in a sealed, named envelope on the first day of term)
2. Class sets and individual workbooks will be purchased with the Book Rental Fee.
3. Stationery, copies and folders must be bought by parents/guardian.
4. All workbooks, copies and stationery should be covered and named prior to your children returning to school in September.

All workbooks are used as a teacher tool to deliver the appropriate curriculum content. Teachers will use their training to deliver the required curriculum content using many forms of pupil work. A teacher has full discretion to create their own worksheet or explore other textbooks if they feel it better suits the children and their style of teaching. It is, for this reason, that not every workbook will be fully completed by the end of the academic year. Please be reassured that this does not mean that children have missed topics; it just highlights the efforts class teachers have made to provide your children with the best access to the curriculum.
