- 4) **All workbooks, copies and stationery should be covered and named prior to your children returning to school in September.**
- 5) **All workbooks are used as a teacher tool to deliver the appropriate curriculum content. Teachers will use their training to deliver the required curriculum content using many forms of pupil work. A teacher has full discretion to create their own worksheet or explore other textbook options if they feel it better suits the children and their style of teaching. It is for this reason that not every work book will be fully completed by the end of the academic year. Please be reassured that this does not mean that children have missed topics it just highlights the efforts class teachers have made to provide your children with the best access to the curriculum they can.**
